ABOUT BOUNDARY LAKES

Boundary Lakes is Utilita Bowl's 18-hole golf course.

The parkland course – opened in July 2017 – offers a stern test for high and low handicappers alike.

Boundary Lakes – complete with its USGA standard greens – is a typically clever Bruce Weller design, framed by mature woodland, whilst making the most of the natural undulations and five lakes, which give the course its name.

Off-course facilities are all housed within the luxury 171-bedroom Hilton Southampton – Utilita Bowl and include the contemporary clubhouse or 'Boundary Club', a fully equipped Pro Shop and custom fitting studio, practice pod, showers and changing rooms as well as the on-site eforea spa and BEEFY'S by Lord Botham Bar & Restaurant.

“

Boundary Lakes may have only been open since 2017 but the course and facilities have gone from strength to strength in that time.

We work hard to create a sense of community within the Membership and courtesy of an extensive calendar of on-course competitions and social events there's a real sense of togetherness among our Members.

We've some big plans for the next few years at Boundary Lakes and look forward to our Members being with us on the journey.

Shaun Hall,
Director of Golf

TESTIMONIALS

I have been a member at Boundary Lakes Golf Course for nearly a year now, and the course has continuously improved and made significant developments. This golf course is for all abilities; whether you're a high or low handicap, you are able to score well, but it imposes challenges if you aren't on your game, which I love. Their board competitions offer handicap and gross trophies, meaning all golfers have something to play for, which you don't get at many golf courses. The staff are always welcoming and will try to accommodate any requests I have. I would recommend to anyone to play this fantastic golf course.

Aaron Joyner

Boundary Lakes is a very welcoming, friendly club no matter what your age or handicap. I'm part of the growing and very sociable seniors section which enjoys weekly club competitions, inter club matches while taking advantage of the numerous reciprocal deals available with local clubs.

Maurice Lowman

As a founder member and former captain of Boundary Lakes Golf Club, I would highly recommend the course and club to any prospective new member. The course is a challenging parkland layout which offers a real test for all levels of golfers. As members, we benefit from at least 4 weekly competitions and a range of reciprocal courses across Surrey, Hampshire, and Isle of Wight. Socially, we're a welcoming bunch of people who ensure that all new members integrate quickly and feel part of the club.

Alex Marshall

As a 7-day member of Boundary Lakes Golf Course for approximately 5 years, I have consistently felt a sense of welcoming from both the staff and members. The course is a genuinely challenging parkland layout in pristine condition, and the staff are consistently friendly and helpful. The reciprocal benefits we have received, coupled with an abundance of club competitions and matches that they offer, make the membership truly worthwhile.
